FROM THE ASSOCIATE GRAND GUARDIAN

Let me introduce myself my name is Tux and I will be traveling with Dave all year. I have been in hiding for the last 21 years and I know a lot of secrets above your Associate Grand Guardian. I was looking in a scrapbook that his mom made for him and he was first associated with Job's Daughters at the age of 4 years old when he was the Honored Queens Robe Bearer, I even have a picture too. Then when he was about 26 years old he was an Associate Guardian at Bethel 16 for 3 years. Then when his Daughters Holli (Grand 5 th Messenger) and Jodi joined Job's Daughters he later became Associate Guardian of Bethel 68 which was in Westfield and later moved to Noblesville and then to Carmel and then in 1999 he was asked to be Grand Director of Music. Shortly after that the Bethel moved to Noblesville and then to Carmel. A couple of years later he was elected to the Grand Line and 4 years later he was Associate Grand Guardian. Dave and I traveled all over the state going to meetings, OV's and anything else that would come around. The Daughters had what I thought was a cool name for him, they called him "Daddy Dave". Then after that the Daughters at Bethel 32 which was in Beech Grove at that time asked him to be their Associate Guardian and he did that as well as being the Associate Guardian at Bethel 68 again. Then in 2023 Diane asked him to come back to Job's Daughters and be her partner as Grand Outer Guard and that brings us to Grand Session 2026 where I was returned to him so I could tell you this story and I will be reporting to the Bethel News all of the things he is doing this year. We just got back from Supreme Session where Bernie Schultz was installed as Supreme Bethel Jr. Custodian and Neena Allen is the Supreme Representative to Rio Grande do Sul. Jamie were installed as Vice Supreme Guardian and Dave was Installed as Supreme Sr. Custodian. He told me he is really looking forward to all the Official Visits and the fun activities that are planned for this year. Oh I forgot to tell you he has 3 fun animal friends this year which he will be giving to some of you at the Official Visits. I think he has Penguins, Elephants and Tigers if you take a good look at the men Grand Officers vests you will see that some have a Penguin Vest, some have an Elephant Vest, and some have a Tiger Vest. He has all three so you girls might get to choose which vest he will wear at your OV. Well this is all until next time. Jobie Love Tux

GREETINGS FROM GRACE & FRANKIE

Hey Indiana Jobies and Friends!

My name is Elizabeth (pronounced FuhRAYNKEE) Fisher, and I'm honored to be the Acting GBHQ for Indiana Grand Bethel as well as a partner in crime to Grace! I love sleep, music, and am constantly singing, humming, or quoting movies. I live in Thorntown with my best friend, Mady, and my family Josh, Juliynn, and Payten, and am super active with my church where I teach Sunday School to the littles as well as assisting at our food pantry and Kids Closet. I also help with IORG (Rainbow) and am on the Grand Officer Committee, and volunteer with the high school for the theater; helping with auditions, hair, makeup, wigs, etc. as well as being the costume director and silent auction connoisseur (that's a fancy word for begging companies for donations). I love reading Fancy Nancy books to my little cousin, PJ, and enhancing her lexicon (that's fancy for vocabulary). One of my favorite things is sprinkling new words into conversation for people to be inquisitive to understand what I'm being loquacious about. (Basically, your curiosity is something for me to talk about and inspire.) In the movie Peter Rabbit, it says "You have to be careful with your words. Once they are said, they can only be forgiven, not forgotten." Words are such powerful tools for communication, your words are like seeds; plant them with kindness, and you'll grow a garden of smiles. We are so excited for the Grand Bethel Plans we have for you all this year with opportunities to experience new cultures, new foods, new places to travel, new activities to try, and just a fun year for us to build friendships, laughs, and sisterhood.

See you just around the riverbend,

Elizabeth (Frankie) Fisher, Acting GBHQ

Hello all!

My name is Grace Colclazier (coal - clay - sure) and I am Elizabeth's partner in crime as Protem-Grand Bethel Honored Queen this year! I am proud to say I am from Bethel 67 Greenfield and that I am a third-generation Jobie. As a Libra, I like to spend my time planning and preparing, cleaning and organizing, reading and learning, and (most importantly) being with my friends and family. You can immediately get my attention if you start talking about music or dogs and I will NEVER say no to getting a Coke Slushy! I am truly passionate about Job's Daughters and the greatness that it holds. With positive guidance and open communication, I strongly believe that each and every single bethel is unstoppable- it is up to each individual to be their own advocate for growth and love. My goal this year is to ensure the garden of JDI is growing through team building, communication, accountability, and transparency.

I am looking forward to a year of growth and fun (especially for JAR!). I sincerely look forward to being a support for all who need it! Please reach out when/if you ever want to connect :)

VICE GRAND GUARDIAN

Hi I'm Danielle and I am the Vice Grand Guardian this year! I am so excited to be on this journey with you and Martin, Laila and I can't wait to get to know you all as we travel and visit! As you all probably know I love gnomes and fireworks!!

My time in Job's started back in 85/86 and I am a Past Honored Queen, Majority Member, and Member of Honor all of my home bethel - Bethel 22 Bloomington! I have also served on council as a Bethel Guardian, Secretary, and Director of Epochs.

One of my favorite memories was Job-A-Roma when it was so cold that we actually had to move from the cabins into the main building and sleep on the floor!! Talk about tight squeezes!!

Jobie Love,

Danielle

GRAND GUIDE

Around my Bethel, everyone just calls me Shell.

My journey with Job's Daughters began when my daughter, Gabi, was just six years old. While I was never a Job's Daughter myself, Job's has always felt like family. My dad became a Mason when I was 18, and both of my brothers were active in DeMolay, so I grew up surrounded by the Masonic family.

Even though I missed the opportunity to be a Daughter, I've been incredibly blessed to experience this organization through Gabi and all of the amazing young women I've met along the way.

I'm especially proud to call Bethel 8 my home. This year we celebrate our 100th Anniversary milestone that reminds us of the generations of Daughters, Majority Members, and adult volunteers who came before us. It's an honor to represent such a historic Bethel and to help carry its legacy into the future.

When Gabi first joined, I simply hoped she would make a few friends, gain confidence, and have fun.

What I didn't expect was that Job's Daughters would become such an important part of my life too.

Along the way, I've had the privilege of serving beside incredible leaders, forming lifelong friendships, and watching young women discover strengths they never knew they had.

One of my favorite things about Job's Daughters is that every girl has a place to belong. Whether you're outgoing or quiet, brand new or a seasoned member, there is always someone ready to encourage you.

I've watched girls step outside their comfort zones, take on leadership roles they never thought possible, and grow into confident, compassionate young women. Those moments are what make volunteering so rewarding.

As Grand Guide this year, I'm excited to travel across Indiana and Kentucky, visiting Bethels, meeting as many Daughters as possible, and making memories with each of you. I hope to encourage every Daughter to embrace new opportunities, believe in herself, and never be afraid to try something new. Some of the best memories are made when we take that first step outside our comfort zone.

If I could offer one piece of advice, it would be this: don't wish your Jobie years away. They go by much faster than you realize. Say yes to opportunities, try the ritual part, run for that office, attend the dance, and make the memories. Years from now, you won't remember every meeting-but you'll remember the friendships, the laughter, the road trips, and the people who helped shape the person you became.

I'm honored to serve as your Grand Guide this year alongside an amazing Grand Guardian Council, and I truly can't wait to meet each of you. If you see me at Grand Session, a visitation, or any event throughout the year, please come introduce yourself!

Here's to an unforgettable year filled with friendship, laughter, service, and memories that will last a lifetime. I can't wait to see where this journey takes us!

GRAND MARSHAL

Hey there, I'm Leah Everett, your brand-new Grand Marshal! My adventure with Job's Daughters kicked off way back in '86 when I was just 11. Picture this: a shy little me, trembling in my boots at the thought of speaking in public. My mom almost yanked me out after my first Job-A-Rama because the older girls were, well, less than friendly. But thanks to Donna Miller, the superhero council member, I stuck around!

I've worn many hats in Bethel 67 Cumberland (now Greenfield). I've been Treasurer, Outer Guard, Sr. Custodian, 1st Messenger, Chaplain, 3rd Messenger, and all positions in the 5-line! My all-time favorite gig? Chaplain. I even got a word-perfect award in a ritual contest!

I loved hopping around to different Bethels to lend a hand. We roamed all over the state, mainly helping out Bethel 41 Fortville, Bethel 18 Irvington, Bethel 133 Eden, and Bethel 61 in Aurora, Indiana. Sadly, those Bethels have since closed their doors.

One hilarious trip down memory lane was our Bethel outing to a haunted house. I was so spooked, our Associate Bethel Guardian, Chet Jones, had to guide me through it! There was this creepy crawl section, and I was glued to Chet's shirt like it was my lifeline. My mom followed with a couple of equally terrified younger girls including my sister. Spoiler alert: We survived to tell the tale!

That's all for now. I hope you're out there crafting fantastic memories with your Bethels!

NEWS FROM BETHEL 67, GREENFIELD

We did it! We received our charter back on June 14th and are no longer under dispensation. At this meeting we also elected Dawn A. to Honored Queen and Bailey W. to Marshal. Our Installation of officers is on Friday, July 31st at 7:00 PM. We are super excited to start a new term filled with sisterly love and fun. A big thank you to Violet R. our retiring Honored Queen who led our Bethel with such grace and humility. She is a wonderful team player and made every daughter feel special.

One of our members Stormy P. graduated high school, joined the Army reserves, and started her career as a welder. We are super happy for her and her future. Two of our Bee Hive members Chloe R. & Audrey P. celebrated their Kindergarten graduations! Congratulations girls!

We took many of our daughters and adults to Grand Session this year! We had a lot of fun making crafts and doing the activities. The food was good. Our banner that we made won 2 awards. Congratulations to our Past Assoc. Bethel Guardian, David S. for being installed as Associate Grand Guardian, our Past Bethel Guardian Erin C. for being installed as Grand Secretary, our Bethel Guardian Leah E. for being installed as Grand Marshal, our Associate Bethel Guardian Randy S. as being installed as Grand Chaplain, our Director of Epochs Holli W. as being installed Grand 5th Messenger, and our council member Brenda A. as being installed as Grand 2nd Messenger. Congratulations to Bailey W. for being installed as an IN JD Representative.

Some of our council Leah, Erin, and Mary attended Supreme Session in Springfield, MO. Our Bethel earned 2 JDI Pride Awards! We earned this award because Bri R. and Violet R. worked hard and planned their terms to include promotion events, fundraisers, attending JDI events, and go to church Sundays. With their leadership our Bethel was able to earn enough points for the Supreme award.
