INDIANA JOB'S DAUGHTERS ROOKIE OF THE YEAR AWARD

As a part of a focused commitment to membership engagement and retention, we are pleased to present the Indiana Job's Daughters Rookie of the Year Award. This is an award designed to help Indiana Bethels recognize new Daughters who become actively involved in their Bethel, and Job's Daughters in general, during their first year in our organization.

Criteria for Earning the Rookie of the Year Award

In order to receive this award, the Daughter must accomplish each of the following tasks before the date of her 1st anniversary as a Job's Daughter.

1. Attend at least one initiation at any Bethel.
2. Attend at least twelve regular meetings of your own Bethel.
3. Attend at least one meeting of another Bethel
4. Participate in at least one social or fundraising activity of your Bethel.
5. Assist at least once in setting up your Bethel for a meeting.
6. Participate in at least one initiation at any Bethel.
7. Attend at least one School of Instruction
8. Bring a prospective member to at least one activity.
9. Attend at least one Official Visit of another Bethel.
10. Participate in forming the cross for at least one event other than a Bethel meeting.

The future of our organization and the ability to continue to grow our membership is dependent on being able to engage our new members in the activities of their respective Bethels. When new members become quickly involved and active in their Bethels, they become our best prospects for remaining active and generating new potential members. The Rookie of the Year Award can assist your Bethel with the process of improving a new Daughter's initial experience with our organization.

Attached is a checklist for the Rookie of the Year Award. Once it has been completed and signed by the Honored Queen and Bethel Guardian, the new Daughter will be eligible to receive an award certificate.
